- LGBT+

The Projects will continue to look for organizations that can provide certification support to businesses owned by persons with disabilities.

If you indicated that your business is owned by a member of a designated group, are you currently certified as a diverse-owned business?

Yes  No

Through which certifying organization is your business certified? \_\_\_\_\_

If you are a NL registered business and are not currently certified, would you be interested in learning more about certification?  Yes  No

The Hebron Project has a vendor database that is used to identify possible suppliers and contractors to participate in the project. Suppliers and contractors are encouraged to register.

ExxonMobil Canada Properties by its managing partner ExxonMobil Canada Ltd., operator of the Hebron Project, sees value in expanding use of the database to the Hibernia and Hibernia Southern Extension projects, exploration, subsea activities and project co-venturers should they request information. The increased visibility across projects and other noted industry participants may be of value to your organization as it has the potential to increase future procurement opportunities.

DISCLAIMER: By registering your company in the vendor database, you are consenting to making your information available to the parties noted above.

NOTE:

Registration in the database does not imply that a supplier is approved as a qualified supplier, nor does it indicate that a vendor is included on any Non-Binding Request for Proposal (NRFP) or bid list for the supply of goods or services for which it has registered.

### **Scope of Work Overview:**

The scope of work/supply (the “Work”) includes, but is not limited to:

- Provision of environmental professional and technical services (offshore and onshore) including offshore environmental effects monitoring program design and implementation, environmental auditing, contaminated site assessments, environmental assessments, regulatory compliance assessments, public consultations, statistical analysis, laboratory analysis (chemical and toxicological), socioeconomic assessments, indigenous consultations, environmental field work and technical report preparation, as well as offshore wildlife observations and reporting

The data submitted in response to the aforementioned questionnaires will be used to evaluate your company's ability (and those of your preferred sub-contractors / suppliers where applicable) to perform these services or provide these materials.

It will focus primarily on:

- Past safety performance
- Applicable experiences
- Project execution skills

- Project management skills & integration skills
- Current capability
- Work-load
- Personnel qualifications

We will evaluate this data and develop a final list of suppliers who will be asked to submit formal competitive bids. We reserve the right to make the final determination of which suppliers will receive the Non-Binding Request for Proposals (NRFP) or Invitation to Tender (ITT) and which suppliers will be awarded the final agreement.

This Expression of Interest (including pre-qualification) is not a pre-qualification of suppliers for other EMCP / EMCL / HMDC work, but is limited to the scope aforementioned. In addition, participation in this Expression of Interest (including pre-qualification), including any statements whether oral or written between EMCP / EMCL / HMDC and your company, shall not create or be deemed to create any binding legal relationship or contract, or be construed to do so between EMCP / EMCL / HMDC and your company. All costs associated with the preparation of your response to this expression of interest shall be at your expense.

This Expression of Interest (including pre-qualification) may or may not result in the issuance of an RFP/ITT and may or may not result in the award of an agreement. If you respond to this Expression of Interest (including pre-qualification) and your company is selected to be on the bidders' list, your company name, your designated company representative's name and business contact information may be posted on public websites. Similarly, if you are selected for award, the same information may also be posted, indicating that the work has been awarded to your company.

\* It should be assumed that the Hibernia Project includes, but is not limited to, current and planned Hibernia and Hibernia Southern Extension operations as well as future development on behalf of Hibernia (operated by Hibernia Management and Development Company Ltd.) or Hibernia Southern Extension participants (operated by ExxonMobil Canada Properties).

**Responses must be submitted electronically by the closing date to the e-mail address below.**
